

**Lincoln Consolidated School District
Wellness Center**

Date: February 10, 2014

Dear Parents:

This letter is to inform you that the Lincoln Consolidated School District (LCSD) Wellness Center has downsized and Ozark Guidance Company (OGC) will no longer be providing services on the LCSD campus, as of March 1st, 2014. If your child is receiving counseling from OGC you may make arrangements with OGC to continue services off campus. If you prefer to continue counseling on the LCSD campus the Wellness Center has agreements with DaySprings Behavioral Health and Methodist Family Counseling. You may call the Mental Health Coordinator, Crystal Pitts, to transfer your services to one of those agencies. We are sorry for any inconvenience this may cause. If you have any questions please call me at one of the numbers below.

Sincerely,

Crystal Pitts, LMSW
Mental Health Coordinator
479-824-7321 or 479-445-0717
