

## Lincoln Consolidated School District Snow Routes/Limited Bus Service

It will be the bus driver's discretion to determine which roads are hazardous to travel. While it is not possible to predict with absolute certainty which roads will be hazardous, past experience has dictated certain roads are hazardous for travel during inclement weather. Below is a list of roads by Route number. The roads determined to be hazardous for travel due to inclement weather are subject to change.

Limited route service includes morning and afternoon routes. Please be prepared to pickup your child at the designated bus stop in the afternoon. The drivers will do their best to keep their route on schedule.

Students who are absent due to limited bus travel will receive an excused absence for each day missed.

If you believe that your road should be included in the "hazardous" category and it is not listed below as hazardous, please call Transportation Department at 479-824-7322.

Please call for any questions regarding Snow Routes/Limited Bus Service:

**Bus Garage 479-824-7330**

**Transportation Department 479-824-7322**

**Lincoln School District Central Administration Office 479-824-7310**

**Route # 1.** Should be able to travel most of the route.

**Route # 2.** Will not travel Hale Mountain Rd WC 3 and Dobbs Mountain WC 1. Those students will meet the bus at the Evansville Fire Department.
