

WEB CONTENT ACCESSIBILITY

The Lincoln Consolidated School District is dedicated to providing an accessible website for individuals with disabilities. Currently, we are taking steps to convert our web pages to meet with the Web Content Accessibility Guidelines (WCAG) as proposed by the World Wide Web Consortium (W3C). The district's ultimate goal is to provide a website that achieves Priority 2 or AA conformance as prescribed by the W3C, while also complying with Section 508 of the Rehabilitation Act.

If you have difficulty accessing any portions of our website, please contact our Webmaster, Matt Hudgens; e-mail: mhudgens@lincolncsd.com; phone: 479-824-7451
